## *About Us:*

Hands and Hearts Home Care LLC was developed with a passionate desire to be your trusted source in helping your family keep your loved ones in their home as they grow older.

Many lasting relationships have formed between Hands and Hearts Home Care staff, our clients and their families who desire assistance with activities that used to be simple.

Nothing is more important than helping people live full, independent and dignified lives within the comfort of their own homes. We understand that family members can't always be there to care for their loved ones. Our promise is to be there when you can't.

## *Our Beliefs:*

Client care is our number one priority. By customizing your non-medical needs, a schedule is formulated to enhance a comfortable, healthy lifestyle.

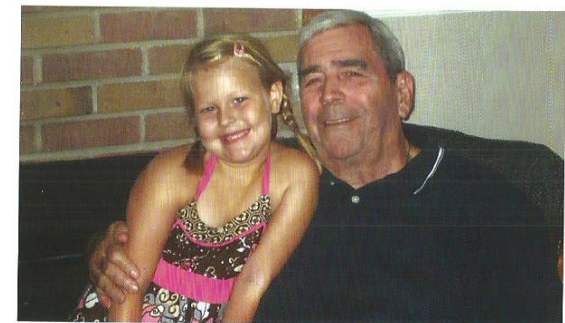

We are dedicated to providing in-home care that enriches our clients' lives and helps them maintain the highest possible level of independent living.

The result is companionship allowing seniors to feel secure in the home they've lived in for years.

You and your loved ones can have peace of mind knowing that we are providing compassionate caregivers to ensure stability and personal attention while receiving the highest quality of care,
